

3. Many works of literature feature a character who holds a secret that can have broader implications for that character or other characters. For example, such secrets may create conflict, provide a source of consolation, protect characters from reality, or allow one character to manipulate other characters.

Either from your own reading or from the list below, choose a work of fiction in which an important character holds a secret that affects that character's relationship with one or more other characters. Then, in a well-written essay, analyze how the effect of the character's secret contributes to an interpretation of the work as a whole. Do not merely summarize the plot.

In your response you should do the following:

- Respond to the prompt with a thesis that presents a defensible interpretation.
- Provide evidence to support your line of reasoning.
- Explain how the evidence supports your line of reasoning.
- Use appropriate grammar and punctuation in communicating your argument.

American Spy
Angels in America
Another Country
As I Lay Dying
